Services

Dear TRS Supporter:

As you know, Sacramento County Therapeutic Recreational Services (TRS) provides low cost year-round recreation opportunities for people with disabilities. Some participants however struggle with financial hardships and do not have a chance to enjoy these opportunities to be with friends. Join us in supporting worthwhile programs for individuals with disabilities who are valued members of our community and would deeply appreciate the opportunity to have an unforgettable experience.

Pathways to Recreation, Inc. exists to ensure that these life enriching opportunities for people with disabilities are available by providing funding, advocacy, volunteers and education in partnership with TRS. Scholarships for every TRS program are available, funded by Pathways to Recreation.

### Your support can provide:

- A night out with friends at a dance, dinner & a movie, and more.
- A sporting event, miniature golfing or glow bowling, and more.
- A day trip to San Francisco, Santa Cruz, Apple Hill, and more.
- An overnight trip to the Central Coast of California, summer camp, etc.

Please support Pathways to Recreation by sending a donation today to ensure a memorable experience for people with ALL abilities. Your gift is fully tax-deductible as a charitable contribution.

Thank you for your enthusiasm and support. I hope to hear from you soon.

With gratitude,

Delia McGrath, President  
Pathways to Recreation, Inc.
